NEXCONEC[®] 1U 19" Brush Strip Bar (Bottom Open) is a durable rack accessory designed for efficient cable management and airflow control. Made from powder-coated steel, it fits standard 19" racks and features side-entry nylon brush slots that allow cables to pass through while blocking dust and preserving cooling efficiency. Ideal for data centers and server cabinets, it offers a clean, organized solution with easy installation.

FEATURES

- ✓ Suitable for 19-inch rack and cabinet mount
- ✓ Compact 1U size for standard racks
- ✓ Integrated brush strip for cleaning ingress/egress
- ✓ Maintains optimal airflow & limits dust
- ✓ Compliant with major industry standards
- ✓ Quick and easy installation

APPLICATIONS

- ✓ Server Racks & Cabinets
- ✓ Data Centers and Telecommunication Rooms
- ✓ Edge Computing Enclosures, Indoor Applications
