 Browse on Web

NEXCONEC® 1U Side Cable Manager **Universal D-Ring** is a modular cable management accessory designed to organize and protect cable runs in network racks and cabinets. This D-ring features a semi-flexible slot that allows for quick and easy insertion or removal of bundled cables without the need to disconnect them.

It is suitable for both twisted pair and fiber optic patch cords. The ring's design incorporates bend radius control to prevent cable damage, ensuring a safer and more accessible network infrastructure for moves, adds, and changes.

FEATURES

- ✓ Offers a semi-flexible slot for easy insertion and removal of cables
- ✓ Suitable for twisted pair and fiber optic patch cords
- ✓ Bend radius control helps protect cables
- ✓ Features 2 mounting holes on 1U space
- ✓ Quick and easy installation
- ✓ RoHS, REACH & SvHC

APPLICATIONS

- ✓ Rack mount and network cabinets
- ✓ Horizontal cable management
- ✓ Fiber optic & copper networks
- ✓ Data centers and telecom
