

## LGX MPO ADAPTER PLATES - **MP3PLxx**

Browse on Mobile

 [Browse on Web](#)

The MPO adapter plates are made to fit all Nexconec LGX fiber management solutions, including rack mount patch panels and wall mount boxes, supporting MTP/MPO for high density solutions.

This MPO adapter plate can accommodate up to 8 or 12 MPO adapters with options of key-up to key-down, or key-up to key-up, which offers the flexibility to the MTP/MPO trunk to adapt different installation requirements with various polarities. The recessed adapters mounted in the plate gives the better bending radius when routing the MTP/MPO trunk cables.

Each MPO fiber adapter plate comes with protective caps made of polycarbonate to prevent dust and debris from entering.

### FEATURES

- ✓ Available in 8 and 12 Ports
- ✓ Easy and fast installation
- ✓ Recessed MTP/MPO Adapters
- ✓ Lightweight plastic

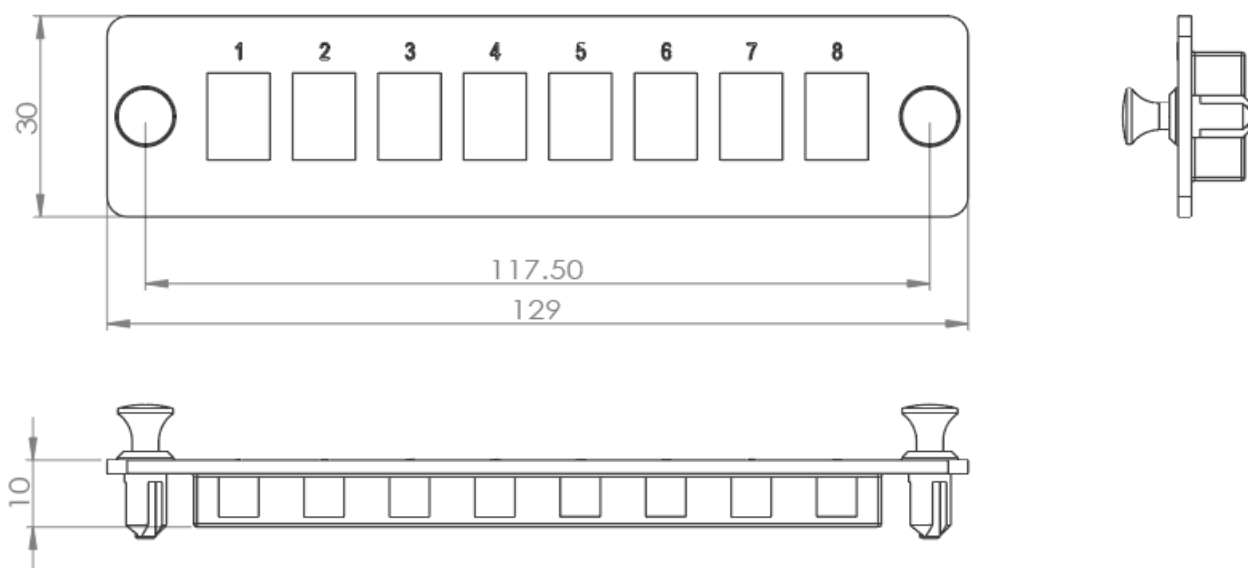

### APPLICATIONS

- ✓ Enterprise network & Datacenter
- ✓ Indoor application
- ✓ Most Common Footprint
